Overview of the workshop

“The future of EIP-AGRI Operational Groups: challenges, opportunities and existing support services”

Iakovos Delioglanis, FOCUS STC

BBioNets

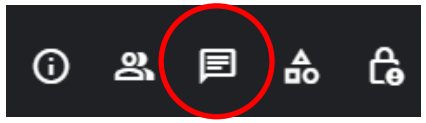
Online, 14/05/2025

The organising projects are funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Research Executive Agency (REA). Neither the European Union nor the granting authority can be held responsible for them.

House rules

Please, **keep microphones closed** to avoid any unnecessary noise

This event **will be recorded**; if you do not wish to appear on the recording, please do not open the camera at any time.



Please, write your questions in the **Chat**. (*down-right*)

The slides will be available for download

Rationale

- Going beyond the development, testing and implementation of innovative solutions, **cross-fertilisation of experiences** in forming and supporting OGs is vital
- 5 Thematic Networks promoting the work of OGs join forces to share:
  - ✓ **Strategies** to attract, support, engage and promote OGs
  - ✓ **Experiences** from their engagement with OGs
  - ✓ **Outcomes** in terms of knowledge and tools available for OGs

Agenda

Time	Item	
10:00 – 10:10	Welcome – Overview of the workshop	Supporting environment
10:10 – 10:50	OG engagement strategy deployed in 4 Thematic Networks • Co-organising projects' representatives
